## SPRING IS IN THE AIR!

When the beautiful weather started, so did our creativity and big smiles. Southwind residents got together to create beautiful Spring and Easter themed centerpieces for our dining room. Residents also enjoyed getting together to share Easter stories while dying Easter eggs. A little helper even came to show us how it was done. The residents had so much fun and the dyed eggs came out so pretty.

## A BIRTHDAY WISH!

We asked Mrs. Genevieve Greenman what  
she would like for her 93<sup>rd</sup> birthday and this is  
what she said: "I would love to make my  
homemade donuts for all of my friends here at  
the nursing home." We are pleased to say her  
wish came true! With her recipe in hand, we  
shopped for the ingredients. She floured the  
table and mended the dough herself.  
Using her very own roller and donut cutter from  
home, she made a delicious batch of donuts  
and even sweeter memories! Thank you, Mrs.  
Genevieve, for treating us, and Happy Birthday  
to you!

## WHO IS THE PERSON BEHIND THE PEN?

Southwind residents have been having lots of fun getting together and doing some writing. We recently started a pen pal club with Ms. Charlotte Cope's senior English class at Crowley High School. The students were able to come for a visit with us to finally meet the person behind that pen and paper with whom they had been communicating. It was priceless. The students, as well as the residents, thoroughly enjoyed their visit. We are blessed to have so many young adults who come to spend time and visit with our residents.

## OUR VOLUNTEERS- SERVING, CARING, GIVING!

We hosted a very special Volunteer Luncheon for these lovely people who have a heart of gold. We cannot thank them enough for all that they do to make our residents feel so special. May God bless you!
